

Hippodrome Theatre
April 8-May 2, 2010

With some of the most lavish sets, costumes and special effects ever to have been created for the stage, Andrew Lloyd Webber's THE PHANTOM OF THE OPERA directed by Harold Prince traces the tragic love story of a beautiful opera singer and a young composer shamed by his physical appearance into a shadowy existence beneath the majestic Paris Opera House. Adapted from Gaston Leroux's classic novel of mystery and suspense, this award-winning musical has woven its magical spell over standing room audiences in more than 100 cities worldwide and is now the longest-running show in Broadway history.
